Wagner has been a sponsor of legislation on child pornography since the mid-1980s. He sponsored similar bills in 1988 and 1990, and again during the 101st Congress. He introduced the same comprehensive bill in the 102nd Congress, which he says he expects will finally make the federal law on child pornography effective.

There is a growing feeling that the time has come when the United States should take a more active role in the world. This feeling is based on the fact that the United States is the only country in the world which has the power to bring about a new world order. The United States has the power to bring about a new world order because it has the power to bring about a new world order. The United States has the power to bring about a new world order because it has the power to bring about a new world order.
